To Whom It May Concern:

This is a letter of recommendation for Tim Dunne of Dunne Commercial Properties.

Tim is an exceptional individual who is on the board of directors at Life's Connection. As a board member, he is very conscientious and intelligent. He is timely and makes all the meetings. He also has great business sense which has allowed us to fund our new center.

I had the honor of working with Tim in a realtor capacity as he and his company acquired our newest location in Waukesha. The dealing with the property owner was done in a respectful and professional manner. Tim and his company were well prepared and knowledgeable so our transaction went off without a hitch.

Currently, Tim is working as Life's Connection pro bono in leasing out part of our facility. Again, he is equipped and knowledgeable and has the people skills to handle all of our needs.

Without a doubt, I would recommend Tim Dunne and Dunne Commercial Properties to anyone who is preparing to purchase or sell a property as well as any commercial real estate needs.

Thank you,

Krys Crawley
